Super Sprint Series Championship

2022

Please find below all the information required to enter the Warwick District Sporting Car Club Super Sprint Series 2022. Please read this information carefully, as it is imperative you understand the instructions, tight deadlines, terms and conditions necessary to organize the 2022 Qld Super Sprint Series, A, B and C groups.

We are registering 140 competitors for each series, to ensure 6 runs are completed for each weekend (conditions permitting). Who gets chosen? 'First in best dressed' will be the policy used and only those who pay their registration fee at the time of registration will be considered. **This registration fee is not transferable or refundable once accepted.** Anyone not paying the registration fee will remain at the bottom of the list. **We are strictly enforcing it this year. If you do not pay registration by the time registration closes, you will not be accepted into the Sprints.** I will send an email to the address on the registration if we have not received/identified a payment by the week before entries close.

Competitors that are not accepted will get the registration fee refunded. By submitting an entry, you are consenting to the above conditions.

Fees for the season will be:

Registration fee: \$300.00

Entry fee each round: \$75.00

Transponder fee each round: \$30 cash/card through AUS TIMING, payable on the day.

If you have your own "my laps" transponder no charge.

Optional- Carport hire fee each round- \$88

Time frames for finalising the 2022 Qld Super Sprint Series Championship:

* 20th of August 2021 – Registration open

* 22nd October 2021– Registration closes

*13 December 2021 - Supp regs and entries for Round 1 A Series will be sent out.

1. Complete the registration form on line at Morgan Park Raceway website or on the paper copy attached, ensuring you have noted your first preference for Series (eg "A"), and your second preference.
